

WATERBERG FET COLLEGE

TOGETHER ENSURING SUCCESS

**WATERBERG
FET COLLEGE**

Together ensuring success

This is the place for YOU to study!!

The Waterberg FET College is a public further education and training institution situated in Mokopane, Mahwelereng and Lebowakgomo. The College is registered with the Limpopo Department of Education. The college is deemed accredited by UMALUSI, the quality assurance body responsible for general and further education and training institution, with regards to quality assurance of programmes.

The college operates across two municipal districts namely Lepelle-Nkumbi and Mogalakwena through 5 Training Centres.

, Business Studies Centre (previously known

as Mahwelereng Campus)
IT and Computer Science Centre (previously known as Mokopane Campus)

, Engineering and Skills Training Centre (previously known as Lebowakgomo Campus)

, Hospitality and Tourism Training Centre (new development site: Hotel School)

, Rooywal Farm (Sterkrivier)

Waterberg FET College offers various exciting and work-related courses that vary from year, semester to trimester courses. We also offer Part-Time courses for the working

people.

With a Learner Support Centre at each training centre, the following services are available for enrolled learners: Emotional and Personal support, Financial support, Academic support, Work placement/ HIV/Aids services and Learnership Development. The Learner Support Service sees itself as facilitating an educational situation that will enable the learners to function at optimum levels so that they can receive the maximum benefit from education.

Customised courses like First Aid is also offered to fit the needs of companies.

NCV Placement TEST

The NCV (National Certificate (Vocational) qualification can be described as equivalent to Grade 12 (Level 4) with the advantage that learners can start working after completion of all the levels due to the practical component brought into this qualification or learners can continue to Higher Education.

The Department of Education also has a bursary scheme attached to this qualification for all learners who enroll for NCV and whose applications are successful.

All learners interested in the National Certificate (Vocational) Qualification

must write a Competency and Placement test before registration. The purpose of the test is:

To assist learners to be placed in the right course

To identify weak areas

This Competency and Placement test is scheduled for **3 December 2007 at 09:00** at the Business Studies Centre and the Engineering and Skills Training Centre.

Interested learners can contact the Marketing Department (Victoria Bohlolo or Judy van Schalkwyk) on 015 - 491 8581/8602 for requirements on writing the placement test.

REGISTRATION 2008

Registration for NEW learners: **14-15 January**

Oriëntation for NEW learners: **16-22 January**

Registration for OLD learners (previously registered with college): **16-18 January**

Late registration at an additional fee of R200: **23-25 January**
Classes will commence on **23 January**
