A COVID-19 case has been confirmed at the Thabazimbi Campus on the **02 June 2021**, after a staff member tested positive.

The staff member's last appearance at the campus was on the **26 May 2021**, after experiencing COVID-19 symptoms. The staff member subsequently tested for Covid-19 and the results came back positive on the **02 June 2021**.

Our Colleague and the close contact are currently in isolation and recuperating well. Furthermore, in line with the protocols on Institutional response to COVID-19 case, the offices of the incumbent in question were immediately closed to allow for deep cleaning.
