SUPPLIER DATABASE OPEN!!!

INVITATION TO REGISTER AS A SUPPLIER ON THE WATERBERG TVET COLLEGE SUPPLIER DATABASE

Waterberg TVET College is in the process of updating the existing database of Suppliers that can render multiple services to the College as the need arise. CIPC registered businesses are invited to register as a Supplier / Service Provider on the College database. **Suppliers that registered on the College database in 2021 and in 2022 may not submit their registration forms and their information is still on our database.** However, suppliers that registered before 2021 and are still interested in doing business with the college must re-register. Businesses are encouraged to register a maximum of 5 commodities only.

Registered businesses are encouraged to submit completed database registration forms with compulsory documents on or before 28 February 2023. This will be the cutoff date to hand in all registration forms.

The database registration forms are available on the college website at

www.waterbergcollege.co.za

Completed registration forms must be hand delivered on or before the closing date to the following address:

**C/o Totius and Hooge Streets
Mokopane
0601**

Failure to complete database forms in full and not submitting all required compulsory documents will result in non-registration on the database.

Only companies that have proof of CIPC company registration documents and registered on the National treasury central supplier database (CSD) will be considered to be registered on the College supplier database. Companies that appear on the national treasury's database for prohibited or restricted suppliers in the public sector will not be registered.
